

2011 OCEAN RIVER SPORTS KAYAK PROGRAMS

GREENLAND-STYLE ROLLING & BRACING

(3 hrs) The tradition continues!

Whether you're curious about this alternative paddling technique or are already paddling with a Greenland-style paddle, this clinic will interest you! In the comfort of an indoor pool, you will learn how to use the Greenland-style paddle for support strokes and Greenland-style rolling techniques. You will learn how to perform a static brace, how to scull for support, and how to perform different kinds of Greenland-style rolls. The Greenland-style paddle is considered easier to roll with, so if you're at a level where you are learning to roll, you may find using this paddle can boost your ability.

2011 Dates: Jan 22

Times: 6:30 pm – 9:30 pm

Location: Crystal Pool, 2275 Quadra Street, Victoria, BC

Clinic Cost: \$85

Kayak Rental: \$15

Ages: 16 and up

Prerequisites

Before taking this clinic, we recommend that you have basic kayaking and rescue skills.

Itinerary

Meet at 6:30 pm at Crystal Pool, 2275 Quadra Street (south of Bay Street), Victoria, BC. Please try to arrive 10–15 minutes early. Please meet at the rear of Crystal Pool, on the opposite side of the building from the front doors. Because this is after regular pool hours, you will not be entering or exiting using the front doors; rather, we'll come and go using the back doors where we are able to load our kayaks and gear. Access to the rear of the building is gained via a service lane off Queens Avenue. Parking is available in a parking lot on the north side of Crystal Pool or on Queens Avenue. Lockers are available in the change rooms for 50 cents.

For your safety and enjoyment, we ensure that groups with more than 4 participants are led by two experienced instructors. Our minimum group size is 3 participants and 1 instructor; our maximum group size is 8 participants and 2 instructors.

Equipment List

Kayak and Paddling Gear

You will need a sea kayak and paddling gear for your program. You can either rent these from us for an additional fee, or you can provide your own sea kayak and paddling gear if you already own or have access to these.

If you are **renting a sea kayak and paddling gear** from Ocean River Sports (or if a sea kayak and paddling gear are included in the price of your program), you will be provided with the following items as one complete package:

- Sea kayak.
- Paddle.
- Sprayskirt.
- PFD (Personal Flotation Device): Canadian Coast Guard approved.
- Whistle.
- Hand pump.
- Throw-line (buoyant heaving line at least 15 meters in length).
- Paddle float.
- *Spare paddle (optional)
- *Sponge (optional): for drying out hatches

If you are **providing your own kayak and paddling gear** for your program, you must provide the paddling gear listed above, and your sea kayak must meet the following requirements**: (1) is suitable for open sea conditions; (2) has positive buoyancy when capsized; (3) is able to adequately carry gear as required for the program; and (4) has perimeter lines. Please note: recreational kayaks that do not meet the above requirements are not suitable for our programs. If you have questions about the suitability of your kayak, please contact us. If your program takes place in an indoor pool, please ensure your kayak and gear are clean of dirt, sand, and debris.

**Exceptions: (1) whitewater kayaks are permitted on our *Rolling* clinic; and (2) surf skis or Olympic-style kayaks with bulkheads or flotation bags are permitted on our *Improve Your Forward Stroke* clinic.

What Ocean River Sports Provides for Your Program

Ocean River Sports provides the following equipment and supplies for your program:

- Greenland-style paddles (if you have your own, you are welcome to bring it).

What You Provide for Your Program

Please read the following equipment list carefully, as it indicates what you will need to bring with you on the program.

Personal Gear

- Eyeglass retainer strap if you wear glasses.
- If you wear glasses or contacts, please bring an extra set in case of loss; also, don't forget contact lens solution and a carrying case for your contacts or glasses.
- *Nose plug or diving mask, which can prevent the uncomfortable sensation of getting water 'up your nose.' Part of your training will involve intentionally capsizing your kayak under controlled and safe conditions. Nose plugs are available at Ocean River Sports or stores that sell swimming accessories.
- *Extra car keys in case you lose yours.

Clothing

- Swimsuit and towel. A merino, silk or synthetic long underwear top can optionally be worn. Underwear can provide additional warmth, even when wet, and protection from the sun. Females may wish to wear nylon shorts over their swimsuit.
- Footwear for wearing while paddling (that can get wet); e.g., sport sandals (with heel strap), running shoes, wetsuit booties, or reef shoes with good soles.

Preparing for Your Program

Kayaking requires some upper body strength and endurance. If you are lacking this, it is rarely a problem as we don't paddle huge distances, and usually folks get by quite well with only occasional minor muscle aches. However, if you feel you could use some upper body conditioning before your trip, exercising with light weights can be quite helpful. Concentrate mainly on shoulder strengthening exercises, focusing on endurance rather than strength.

Medications

Please be sure to let us know of any limitations of which we should be aware. Please duplicate and separate the quantities of any medications you will need during your program, and give your duplicated medications to your instructor, who will carry them. This will provide an additional source of medications should the primary set become wet, damaged, or lost. If you are prone to any health disturbances, e.g., easily infected cuts or severe migraines, please remember to bring any pre-

ventive medications. If you have any questions about medications, contact your doctor.

How to Register

Programs may fill up quickly, so register early to avoid disappointment. Depending on the program you're registering for, a deposit or full payment is required to secure your place. For your convenience, we accept Visa and MasterCard.
