

# 2011 OCEAN RIVER SPORTS KAYAK PROGRAMS

## INTRODUCTORY STROKES

### ***(3 hours) Control your kayak!***

If you have never been in a kayak, or have already tried kayaking and would like to develop your skills, this clinic offers a great foundation towards your future kayaking ambitions. We'll teach you the basics of kayaking, including the parts of a kayak, gearing up to paddle and how to enter and exit a kayak from a dock. Then, you'll learn how to paddle forward, backward, sideways, as well as how to stop and turn. Most of all, you'll have fun!

**2011 Dates:** May 11, May 21, Jun 1, Jun 22, Jul 2, Jul 20, Jul 30, Aug 3, Aug 21, Sep 17, Oct 15

**Times:** 1:30 pm – 4:30 pm (Weekends) 5:30 pm – 8:30 pm (Midweek)

**Location:** Ocean River Sports, 1824 Store Street, Victoria, BC

**Clinic Cost:** \$65

**Kayak and Paddling Gear Rental:** \$15

**Ages:** 16 and up

### **Itinerary**

Your clinic takes place at Ocean River Sports, 1824 Store Street, Victoria, BC. If your clinic takes place on a weekend, start time is 1:30 pm; if your clinic is on a weekday, start time is 5:30 pm.

If you are driving, there is pay parking available directly across the street from Ocean River Sports or in other pay parking lots in the downtown area. Free street parking is available for 1 hour, after 6 pm, and on Sundays. If you are parking a vehicle, we cannot be responsible for damage to or loss of your personal items, so please don't leave valuables locked in your vehicle. You can store your valuables in the watertight storage compartments (hatches) of your kayak. If you are doing this, place your valuables in a small bag, sack, or pack lined with a plastic bag to ensure dryness.

## **What You Will Experience**

Please arrive 10-15 minutes early for your program. After meeting and greeting all, we will get into our kayaking gear and be introduced to the sport of sea kayaking.

Specifically, you will learn the following:

- Fitting a kayak
- Launching and landing at a dock
- Forward stroke
- Sweep strokes (turning strokes)
- Low brace
- Reverse stroke
- Stopping
- Draw strokes

For your safety and enjoyment, we ensure that groups with more than 5 participants are led by two experienced instructors. Our minimum group size is 3 participants and 1 instructor; our maximum group size is 10 participants and 2 instructors.

Don't forget to share your memories and photographs with us—we'd love to hear from you.

## **Weather**

Weather in southern Vancouver Island is classified as sub-Mediterranean, and this area boasts the mildest climate in Canada. This means our weather is warm, but not too warm, and surprisingly dry. In spring and fall, we often get a mix of sun and cloud—certainly reasonable weather for sea kayaking, as your spraydeck covers the bottom part of your body and can keep it dry even during some rain. Combine this with a light raincoat and hat and you should be comfortable. If you are concerned about being outdoors in cooler weather with the possibility of rain, consider registering in a program that takes place during the summer, rather than the spring or fall. Summer is comfortable paddling weather, with temperatures from 18° to 32°C (65° to 90°F). The average monthly rainfall in summer is less than 2.5 cm (1"). Actually, this particular region is in a rain shadow. However, while this region is in a rain shadow, we're very close to the rainforest, which dominates the northern pacific coast. This means that neighbouring areas experience plenty of rain. As such, you must be prepared for the possibility of rain by bringing adequate clothing. Usually, rain doesn't last very long. We take this all in stride in the great outdoors! Programs run rain or shine.

## Equipment List

### Kayak and Paddling Gear

You will need a sea kayak and paddling gear for your program. You can either rent these from us for an additional fee, or you can provide your own sea kayak and paddling gear if you already own or have access to these.

If you are **renting a sea kayak and paddling gear** from Ocean River Sports (or if a sea kayak and paddling gear are included in the price of your program), you will be provided with the following items as one complete package:

Sea kayak.

- Paddle.
- Sprayskirt.
- PFD (Personal Flotation Device): Canadian Coast Guard approved.
- Whistle.
- Hand pump.
- Throw-line (buoyant heaving line at least 15 meters in length).
- Paddle float.
- \*Spare paddle (optional)
- \*Sponge (optional): for drying out hatches

If you are **providing your own kayak and paddling gear** for your program, you must provide the paddling gear listed above, and your sea kayak must meet the following requirements\*\*: (1) is suitable for open sea conditions; (2) has positive buoyancy when capsized; (3) is able to adequately carry gear as required for the program; and (4) has perimeter lines. Please note: recreational kayaks that do not meet the above requirements are not suitable for our programs. If you have questions about the suitability of your kayak, please contact us. If your program takes place in an indoor pool, please ensure your kayak and gear are clean of dirt, sand, and debris.

\*\*Exceptions: (1) whitewater kayaks are permitted on our *Rolling* clinic; and (2) surf skis or Olympic-style kayaks with bulkheads or flotation bags are permitted on our *Improve Your Forward Stroke* clinic.

## What Ocean River Sports Provides for Your Program

Ocean River Sports provides the following equipment and supplies for your program:

- First aid equipment.
- VHF Marine Radio.
- Signaling flares.

## What You Provide for Your Program

### Overview

Please read the following equipment list carefully, as it indicates what you will need to bring with you on the program. Please avoid wearing cotton clothing as it keeps you cold when it's wet, and takes a long time to dry. Please wear clothing designed for outdoor wear and made from Merino (wool), silk, or synthetic materials, such as Capilene™, polyester, polypropylene, or nylon.

Ocean River Sports stocks many of the items listed below. If you need advice or would like to purchase gear, check out our website at [www.oceanriver.com](http://www.oceanriver.com) or call us! Our contact information is located at the end of this document.

\*indicates optional item.

### Personal Gear

- Eyeglass retainer strap if you wear glasses.
- If you wear glasses or contacts, please bring an extra set in case of loss; also, don't forget contact lens solution and a carrying case for your contacts or glasses.
- Sunglasses. Include a strap to secure them.
- Sunscreen: waterproof, sweat-proof, SPF 30 or higher.
- Lip sunblock.
- \*Thermos with a warm drink.
- \*Waterproof or disposable camera.
- \*Extra car keys in case you lose yours.

### Clothing

- Comfortable, low heeled shoes such as sport sandals or running shoes (we launch from a dock, so your feet should stay dry).
- Comfortable outdoor pants and/or shorts (depending on time of year), such as what you would wear for a light hike.
- Long-sleeved, non-cotton shirt or long underwear top to protect from the sun.

- Warm fleece pullover or Merino (wool) sweater to keep you warm in cooler weather.
- Hat for sun, rain, or warmth, depending on the weather. A broad-brimmed hat works best.
- For your hands, you may wish to wear cycling-type gloves to help prevent blistering. These should be snug-fitting, as loose-fitting gloves may actually cause blistering. To keep your hands warm in cooler weather, you may wish to wear wool gloves inside dishwashing gloves, or purchase neoprene gloves or pogies (a special paddling mitt).
- Extra gloves (wool or fleece) to wear at lunch or after paddling.
- Windbreaker (e.g., nylon jacket that can shed the wind).
- Rain jacket (with a hood, if you don't have a broad-brimmed rain hat). Gore-tex™ or other breathable material works well.
- A change of warm clothes placed in a marine dry bag (available at Ocean River Sports) or small backpack or duffle bag. If you are using a small backpack or duffle bag, your clothes can be waterproofed with large Ziplock™ bags or garbage bags (this ensures you have dry clothes to change into after paddling or if you capsize).

### Food and Water

- Water bottle (filled): large enough to hold about 1 liter or 1 quart of water so you can keep yourself well-hydrated.
- Snack(s).

### **Preparing for Your Program**

Kayaking requires some upper body strength and endurance. If you are lacking this, it is rarely a problem as we don't paddle huge distances, and usually folks get by quite well with only occasional minor muscle aches. However, if you feel you could use some upper body conditioning before your trip, exercising with light weights can be quite helpful. Concentrate mainly on shoulder strengthening exercises, focusing on endurance rather than strength.

### **Medications**

Please be sure to let us know of any limitations of which we should be aware. Please duplicate and separate the quantities of any medications you will need during your program, and give your duplicated medications to your instructor, who will carry them. This will provide an additional source of medications should the primary set become wet, damaged, or lost. If you are prone to any health disturbances, e.g., easily infected cuts or severe migraines, please remember to bring any preventive medications. If you have any questions about medications, contact your doctor.

## **How to Register**

Programs may fill up quickly, so register early to avoid disappointment. Depending on the program you're registering for, a deposit or full payment is required to secure your place. For your convenience, we accept Visa and MasterCard.
